Silent Auction Rules:

1. Bidding begins at <auction start time> on <date of event>.
2. Bidding ends at <auction end time> on <date of event>.
3. The auction item value listed is an estimate of fair market value.

5. Bids must meet the minimum increment. Bids that do not meet the minimum will be disqualified.
6. Bidders may bid multiple times on the same item, as long as their bid meets the minimum increment.
7. The bidder with the highest bid for each item (or the bidder who chooses the "Buy Now" option) agrees to pay the full amount of their bid.
8. The bidder with the highest bid for each item (or the bidder who chooses the "Buy Now" option) must pay the full amount of their bid before their item can be retrieved.
